

REVIVE NU

CLADDING & TRIM RESTORER

EPIC Revive Nu is a complimentary product in the EPIC™ family designed to restore and enhance most OEM and ABS types of molding, trim, cladding and other automotive plastic. This product restores faded and dried out plastic to the original satin finish, while lasting much longer than traditional dressings. This engineered formula penetrates and bonds with types of factory molded plastic and is easy to use.

FEATURES AND BENEFITS

- Lasts up to one year, even with frequent washing
- Restores OEM plastic to like-new appearance
- Easy mess free application allows for variable gloss
- Bonds with black and gray plastic to provide a longer durability
