

DESCRIPTION:

Presta Marine Super Cut Compound is an ultra-aggressive compound designed to remove P800 and finer dual action or wet sand scratches and medium to light oxidation from gel coat, fiberglass and select painted surfaces.

DIRECTIONS:

- Shake well before using.
- Do not apply in sunlight or on warm surfaces.
- Apply a 2” dab of Super Cut for a 2’ x 2’ (.6m x .6m) section and spread with the cutting pad. Buff at speed between 1600 to 2600 rpm. Recommended speed is 2200 rpm.
- Work the buffer side to side slowly in a figure eight pattern as you slowly buff the gel coat surface until most of the product is gone and gloss appears.
- Add more Super Cut and repeat if necessary to remove deep scratches.
- Remove compound splatter as soon as possible with a soft, damp cloth such as a Microfiber Cloth.

FEATURES & BENEFITS

VOC Compliant & shop safe formula	<ul style="list-style-type: none"> • No silicone • Eco-friendly
Innovative emulsion formula	<ul style="list-style-type: none"> • Cuts fast • Finishes clean
Water-based	<ul style="list-style-type: none"> • Easy to use • Easy to clean up

PACKAGE SIZES:

- 946ml 134532
- 3.78L 134501

PRODUCT FAQ'S:

Q1: Is Super Cut Compound body shop safe?

A1: Super Cut Compound is body shop safe and contains not silicone, wax, or fillers.

Q2: What grit sand scratches will Super Cut Compound remove?

A2: Super Cut Compound is designed to remove P800 or finer sand scratches.

Q3: What is the main use for Super Cut Compound?

A3: Super Cut Compound is a very versatile product that works well to remove aggressive sand scratches and defects in both automotive and marine applications.

Q4: Can Super Cut Compound be used with other Presta buffing systems?

A4: Yes, Super Cut Compound is compatible with all Presta buffing products and systems.

Q5: How do I know what Presta pad to use with Super Cut Compound?

A5: Presta products have a color coded banner behind the Presta logo on each bottle that matches the color of the buffing pad that should be chosen for use. For best results use the white, hook and loop 100% twisted wool pad from Presta (single sided - #890141, double sided - #810073).
