

MALCO[®] A & L COSMOLINE REMOVER (1168)

DESCRIPTION

A & L Cosmoline Remover will quickly and easily remove petroleum-based transit coatings and cosmoline from vehicles. This solvent-based formula is safe to use on any painted surface and is ideal for preparing new vehicles for sale.

DIRECTIONS

Test surface before using. Apply in an inconspicuous area and wipe with a clean cloth. If appearance of treated area changes, discontinue use immediately. To remove coatings, apply A & L Cosmoline Remover to a clean cloth and gently rub area to maximize contact between product and surface. For best results, turn cloth frequently while cleaning. Repeat as necessary.

FEATURES AND BENEFITS
