### DESCRIPTION:

Presta **Ammonia-Free Glass Cleaner** is a premium formulation designed to remove oily films and dirt from automotive, shop and home glass, chrome, porcelain, tile and most other hard surfaces. The hard-working foam clings to surfaces and works immediately. Just spray and wipe.

### DIRECTIONS:

Shake Can before using. Hold can upright and 8 to 12 inches away from surface. Wipe clean and polish with a clean, dry and lint-free towel or Micro Fiber Cloth (#800135).

### FEATURES & BENEFITS:

- Clinging foam cleaner dissolves oily soils and suspends dirt for fast and easy cleanup
- Contains no harsh ammonia or harsh-smelling chemicals
- Cleans windshields, glass, mirrors, chrome, vinyl, plastics and most other hard surfaces.
- Leaves surfaces clean without unsightly films or deposits.

### PACKAGE SIZES:

19 oz.

Part # 132920
