ULTRA- CONCENTRATED BOAT WASH

DESCRIPTION:

Presta Marine Ultra-Concentrated Boat Wash creates thick, rich suds to remove algae, grime, oil, fish blood, salt and dirt from fiberglass, gelcoat, metal and painted marine surfaces. This phosphate-free, biodegradable formula cleans without stripping waxes, rinses easily, and leaves no residue.

DIRECTIONS:

- For best results, dilute solution 1:400 to deliver optimal cleaning performance and thick, rich suds.
- Apply soap liberally to boat surface using a wash mitt, sponge or boat wash brush.
- Rinse thoroughly.
- Dry with a chamois or soft clean towel.
