

ACCELERATE All in One - Polish & Protection

Malco Accelerate All in One Polish & Protection is a one-step polishing compound designed to remove light to medium paint defects while leaving behind a slick waxed surface with lasting protection for up to 90 days.

This all-in-one polish will quickly and easily remove swirls, imperfections and light scratches while leaving a deep glossy finish. Malco Accelerate offers a long working window and a dust free application. This can be applied with an orbital, rotary or by hand with a variety of foam pads or microfiber applicators. Malco Accelerate features easy removal allowing a full vehicle application before wiping off.

946ml - Part No. 261032
