 @pacerautoproducts

 @pacerautoproducts

Pacer Auto Products Pty Ltd has been supplying the automotive, aviation and marine industries in Australia with high-quality, professional grade, specialty finishing, cleaning and detailing products since 1996. Today, we are still the exclusive Australian Distributor for Malco and Presta and we manufacture our own range of products.

Pacer Auto Products Pty Ltd services these industries with over 250 of Malco, Presta and Pacer specially formulated solutions.

Product categories include degreasers, car washes, wheel cleaners, tyre dressings, compounds, polishes and waxes, ceramic coating, interior cleaners, marine and much more.

No matter which product you choose, Pacer Auto Products Pty Ltd offers professional detailers and enthusiasts a wide selection of products that meet environmental demands, performance expectations, ease of use requirements and deliver superior value.

This is why Pacer Auto Products Pty Ltd is your most trusted automotive, aviation and marine detailing supplier.

At Pacer Auto Products Pty Ltd we believe that

**From interior to exterior cleaning, and all areas in between, Pacer Auto Products has solutions to fit each of your unique detailing needs.**

### Malco Aero Thunder All Purpose Cleaner

Aero Thunder All Purpose Cleaner is an aerosol that removes a variety of soils from both hard and soft surfaces. This premium, aluminium safe formula is an ideal upholstery cleaner, carpet cleaner, whitewall cleaner and engine cleaner removing heavy grease and grime. Aero Thunder can even be used on painted surfaces. Body Shop Safe.

Available: Aerosol (126319)

### Malco Outrageous Orange All Purpose Cleaner Concentrate

Outrageous Orange is a powerful, all purpose cleaner, ideal for both interior and exterior use. It cleans with the power of natural solvents and d-limonene. Can be used on engines, concrete floors, vinyl, plastic, tyres and wheels. Dilution rate up to 1:30. Phosphate Free, Water Based and Body Shop Safe.

Available: 3.78L (117601)

### Malco Iron Blaster Fallout Remover

Iron Blaster Fallout Remover is an iron remover that rids automotive surfaces of stubborn iron contaminants. This iron fallout remover is safe to use on all OEM paints and is designed to dissolve the toughest contaminants. The pH-neutral formula breaks down rail dust, industrial fallout and stuck on iron deposits, blasting away contamination with ease to restore vehicle paint to a bright finish. Safe to use on glass and can also remove brake dust from coated wheels. Water Based, Phosphate Free and Body Shop Safe.

Available: 650ml (266222) and 3.78L (266201)

### Malco Duplex Heavy Duty Cleaning Wipes

Duplex Heavy Duty Cleaning Wipes are a versatile, lanolin based, dual sided cleaning towel. Designed for the toughest soils on hard surfaces and hands. This citrus based formula tackles virtually any clean up challenge without leaving residue behind. Duplex removes grease, grime, oil, tar and ink. Water Based, Phosphate Free, Ammonia Free and Body Shop Safe.

Available: 130 Count (2900130)

### Pacer Multiclean Plus Full Strength Biodegradable Cleaner

Pacer Multiclean Plus is a powerful alkaline based biodegradable cleaner and degreaser designed to remove dirt and grime from most types of surfaces. Used to clean vinyl, upholstery, floor mats, door jambs, wheels, engines, exhaust deposits and also floors, concrete, stoves, benches, showers and toilets.

Available: 5L (MUL5) and 20L (MUL20)

### Pacer Supa-Rip Universal Cleaner & Degreaser

Pacer Supa-Rip is a super duty concentrated alkaline cleaner formulated to clean everything from engine to auto interiors. It is also suitable for the cleaning of concrete floors and other areas around the workshop and the home. The most economical way to deal with multiple cleaning jobs.

Available: 5L (SRIP5) and 20L (SRIP20)

### Malco CW-37 Premium Car & Truck Wash Concentrate

CW-37 is a phosphate-free, biodegradable cleaner that removes dirt, road film, and salt quickly, efficiently and thoroughly in automatic, semi-automatic and hand car washes. CW-37 is formulated to prevent brush marks and is a high foaming cherry scented formula that is excellent for foam cannons and will not remove wax. Dilution rate 1:400. Water Based and Body Shop Safe.

Available: 3.78L (105701)

### EPIC Hydrosheet Graphene Wash and Wax

EPIC Hydrosheet + Ceramic Wash & Wax with Graphene is a low-foaming, high sheeting, quick drying wash & wax that utilizes advanced cleaning agents to remove soils while unique drying agents allow water to sheet off the vehicle during the rinsing process and provide a spot-free finish. SiO<sub>2</sub> sealant and silicone wax enhanced by graphene, create a hydrophobic barrier for increased surface protection of up to 60 days, while leaving a rich, long lasting lustrous shine. Ideal for revitalizing ceramic and graphene coated surfaces.

Available: 946ml (260932) and 3.78L (260901)

### Malco Verry Berry Premium Wash 'N Wax

Verry Berry Wash 'N Wax cleans and shines in one fast, easy step. Advanced cleaning agents and waxes work together, foaming like a liquid car wash to remove soils and leave a durable, rich shine on automotive and marine surfaces. A water sheeting protective silicone layer provides a spot-free finish that lasts through several washings. Great wild berry scent. Dilution rate 1:128. Water Based and Phosphate Free.

Available: 1.89L (119364)

### Malco Ultra-Violet Premium Wash 'N Wax

Ultra-Violet Premium Wash 'N Wax cleans and provides a durable, high gloss shine in one fast and easy step. Advanced cleaning agents and waxes work together to remove the toughest soils and leaves a long lasting shine. This protective coating beads water way and is compatible with a foam gun or cannon. Produces thick, rich suds with a pleasant grape scent. Dilution rate 1:20. Water Based and Phosphate Free.

Available: 1.89L (107164)

### Presta Ultra Wash & Wax

Ultra Wash & Wax foams like a liquid car wash, makes water sheet and roll off the finish and leaves a "just-waxed" look that lasts through several car washings. Great wild berry scent. Dilution rate 1:128. Water Based and Phosphate Free.

Available: 946ml (136732)

**Malco TC-303 Acid Aluminium Truck Brightener**

TC-303 is a blend of mineral acids, solvents and surfactants that removes oxidation, soot, road film, water scale and mineral deposits from aluminium and stainless steel, tractor-trailers and tankers. Dilution rate 1:20. Water Based and Body Shop Safe.

Available: 18.9L (113005)

**Pacer Grape Wash Car and Truck Wash**

Pacer Grape Wash is a premium car and truck wash that enhances finish and gloss on all paint types. Ideal for hand car washing and maintaining vehicles between waxings. Biodegradable and environmentally friendly.

Available: 5L (GX5) and 20L (GX20)

### Malco Fast Shot Wheel & Tire Cleaner Non-Acid Formula

Fast Shot Wheel & Tire Cleaner is a powerful, ready to use, non-acid wheel cleaner that removes baked on brake dust, film and dirt from coated aluminium and alloy wheels and cleans tyres at the same time. Water Based, Phosphate Free, Ammonia Free and Body Shop Safe.

Available: 3.78L (188001)

### Presta Non-Acid Tire & Wheel Cleaner

The powerful cleaners in Non-Acid Tire & Wheel Cleaner make cleaning tyres and wheels easier, faster and safer. Burned-on brake pad dust, grease, oil and dirt are quickly dissolved leaving wheels bright and shiny. Water Based, Phosphate Free and Body Shop Safe.

Available: 650ml (135622)

### Pacer Mag Wheel Cleaner

Pacer Mag Wheel Cleaner is a powerful blend of acids and detergents formulated to remove all brake dust, road film, oxidation and dirt from older mag wheels and aluminium. DO NOT use on clear coated, anodized, chrome, painted plastic or any other kind of coated surfaces. For use on alloy, aluminium and magnesium only.

Available: 5L (MWC5) and 20L (MWC20)

### Pacer Multiclean Plus Full Strength Biodegradable Cleaner

Pacer Multiclean Plus is a powerful alkaline based biodegradable cleaner and degreaser designed to remove dirt and grime from most types of surfaces. Use to clean vinyl, upholstery, floor mats, door jambs, wheels, engines, exhaust deposits and also floors, concrete, stoves, benches, showers and toilets.

Available: 5L (MUL5) and 20L (MUL20)

### Pacer Supa-Rip Universal Cleaner & Degreaser

Pacer Supa-Rip is a super duty concentrated alkaline cleaner formulated to clean everything from engine to auto interiors. It is also suitable for the cleaning of concrete floors and other areas around the workshop and the home. The most economical way to deal with multiple cleaning jobs.

Available: 5L (SRIP5) and 20L (SRIP20)

### Presta Scuff Stuff Surface Prep

Scuff Stuff is a high-performance scuffing agent that enhances paint adhesion by ensuring cleanliness and consistent surface profiling. As an industry trusted product for cleaning and abrading plastic bumpers as well as preparing blend and hard to reach areas, Scuff Stuff offers superior workability and rinses off easily and cleanly with water. Water Based and Body Shop Safe.

Available: 3kg (131730)

### Malco Surface Prep Adhesion Promoter & Cleaner

Surface Prep Adhesion Promoter and Cleaner improves paint adhesion by cleaning and etching existing coatings on the repaint and paint surface and blend areas. This surface preparation solution cleans thoroughly and rinses away completely, reducing work time and leaving panels ready to paint. Use it to ensure outstanding adhesion in hard to ready areas, such as around door locks, gaskets and seals, under trim and on urethan bumpers. Water Based and Body Shop Safe.

Available: 946ml (120132)

### Malco A & L Cosmoline Remover

A & L Cosmoline Remover will quickly and easily remove petroleum based transit coatings and cosmoline from vehicles. This solvent based formula is safe to use on any painted surface and is ideal for preparing new vehicles for sale. It will not soften, dull or discolour finishes, as it is safe to use on any painted surface. A & L is easy to use and is ideal for adhesive removal. Body Shop Safe.

Available: 946ml (116832)

### Malco Bug-Off Insect Remover

Bug-Off Insect Remover is a specialty cleaner for bug removal that easily removes squashed bugs from windshields, hoods, bumpers and grills. This bug remover is the perfect pre-wash, it is designed to loosen dried bugs faster and easier than conventional cleaners. It is safe to use on paint, glass, metal and plastic surfaces. Body Shop Safe.

Available: 3.78L (107801) and 18.9L (107805)

### Presta Tar & Bug Remover

Tar & Bug Remover makes removing debris from windshields, hoods, bumpers and grills fast and easy. This ready to use formula will not damage paint, glass, metal or plastic surfaces. Body Shop Safe.

Available: 650ml (134822)

### Pacer Tar & Wax Remover

Pacer Tar & Wax Remover removes tar deposits, road film and wax from painted and chrome finish surfaces.

Available: 5L (TWR5) and 20L (TWR20)

### Malco Super Concentrated Glass Cleaner

Super Concentrated Glass Cleaner is an ammonia free formula that quickly and easily cuts through dirt, grease, grime and oily films on glass and other hard, shiny surfaces for a streak free clean. Body Shop Safe.

Available: 3.78L (198801)

### Malco Glass Cleaner Concentrate

Glass Cleaner Concentrate quickly and easily cuts through dirt, grease, grime and oily films on glass and other hard, shiny surfaces. The powerful formula dissolves road film, bugs and haze without leaving streaks or deposits. Body Shop Safe.

Available: 3.78L (105501)

### Malco Water Spot Remover

Water Spot Remover (Pumice Cleaner) cleans hard water spots, paint overspray and mineral deposits from glass, chrome, stainless steel, tile and porcelain and leaves behind a lustrous, streak-free shine. Ammonia Free and Body Shop Safe.

Available: 591ml (113420)

### Malco Foaming Glass Cleaner

Foaming Glass Cleaner is an ammonia fortified, foaming glass cleaner for glass, chrome and stainless steel that cleans and shines. This heavy duty glass cleaner utilizes special foaming action to remove dirt, grime, road film, haze and smoke film without hazing or streaking. Can even be used to clean and shine appliances. NOT recommended for use on aftermarket tinted windows. Body Shop Safe.

Available: Aerosol (105520)

### Presta Nano Glass Cleaner

Nano Glass Cleaner is a ready to use formula that penetrates pores and powers away dirt and grime for a deep clean. Use on glass, mirrors, chrome, stainless steel, porcelain and ceramic tiles for a sparkling, streak free finish. Ammonia Free and Body Shop Safe.

Available: 650ml (136522)

### **Presta Ammonia Free Glass Cleaner**

Ammonia Free Glass Cleaner is a premium formulation designed to remove oily films and dirt from automotive, shop and home glass, chrome, porcelain, tile and most other hard surfaces. The hard working foam clings to surfaces and works immediately. Body Shop Safe.

Available: Aerosol (132920)

### **Pacer Window Cleaner Ammonia Free Formula**

Window Cleaner Ammonia Free Formula is designed for use on tinted windows. It removes dirt, grime and road film without hazing or streaking. Can be used to clean and shine glass, mirrors, stainless steel, chrome and trim. Ideal of automotive, commercial and domestic use.

Available: 5L (WCA5) and 20L (WCA20)

### **Pacer Window Cleaner Streak Free Formula**

Window Cleaner removes dirt, grime and road film without hazing or streaking. It can be used to clean and shine glass, mirrors, stainless steel, chrome and trim. Ideal for automotive, commercial and domestic use.

Available: 5L (WC5) and 20L (WC20)

### Malco Appeal Super Concentrated Dressing

Appeal Super Concentrated Dressing is a water based formula that protects and beautifies interior and exterior surfaces. Vari-Glos technology allows you to choose matte, semi gloss or wet shine look. Appeal produces a durable non greasy gloss with a pleasant banana scent. This durable emulsion dressing allows you to shine tyres with unprecedented ease and convenience and is the logical dressing of choice for an economical interior and exterior solution.

Available: 3.78L (118001)

### Malco Blue Blazes All Purpose Premium Dressing

Blue Blazes is a ready to use, solvent based dressing for use on tyres, rubbers, plastic, vinyl and leather surfaces of vehicle interiors and exteriors. This high gloss formula not only beautifies surfaces to make them look like new, but also protects them from drying, cracking and fading. Pleasant melon scent.

Available: 650ml (127222)

### Malco PB-2 Multi Purpose Silicone Dressing

PB-2 beautifies and protects rubber, leather, plastic and vinyl. It can be used on interior and exterior automotive surfaces. This quality dressing provides a rich, lustrous gloss while helping to prevent drying, fading, hardening and cracking. Use PB-2 to seal surfaces and prevent loss of plasticizers and surface oxidation caused by UV light exposure.

Available: 650ml (104322)

### EPIC Revive Nu Trim & Cladding Restorer

Revive Nu provides a long lasting satin finish to most OEM and ABS types of moulding, trim, cladding and other automotive plastic. Rather than depositing a black paint or dye like other trim restoration solutions, this trim restorer penetrates the material's surface, renewing the overall appearance. Provides up to 1 year of protection even with frequent washing.

Available: 473ml (199816)

### Malco Tire Nu Silicone Free Dressing

Tire Nu Silicone Free Dressing shines and protects interior and exterior rubber, vinyl, plastic and leather surfaces. Tire Nu is the ideal tyre dressing, it goes on quickly and leaves a deep, lustrous shine in seconds. BodyShop Safe.

Available: 3.78L (112701)

### Presta Rubber Treatment Dressing

Rubber Treatment is a premium, non silicone, solvent based dressing that produces a rich gloss on mouldings, plastic, vinyl, rubber and tyres. This aerosol makes dressing tyres and hard to reach areas fast and easy. Body Shop Safe.

Available: Aerosol (132620)

### Malco Wipe on Gel Tyre Dressing

This easy to use, wipe on formula keeps the dressing on the tyre and minimises the potential for messy sling. It dries quickly and leaves a high gloss shine on all rubber and plastic surfaces. Its superior water repellent properties make it great for bumpers, exterior trim and mouldings.

Available: 473ml (129516)

### Pacer Restorall Interior Dressing

Pacer Restorall provides protection against fading, cracking and ageing while restoring most vinyl and leather surfaces. Ideal for plastics, vinyl, rubber and leather. Leaves behind a rich natural sheen. Ideal for dashboards, door panels, visors, vinyl linings and floor mats.

Available: 5L (RALL5) and 20L (RALL20)

### Pacer Protectall Blue Silicone Tyre Shine

Pacer Protectall Blue produces a deep lustrous shine. It is a unique long lasting silicone coating which contains a special revitaliser for rubber. It penetrates and bonds to the surface, resisting against the damaging effects of water and dirt. It also helps reduce the drying and cracking of rubber. Ideal for tyres, bumpers, exterior plastics and trim.

Available: 5L (PANB5) and 20L (PANB20)

### Pacer Super Gloss Silicone Tyre Shine

Pacer Super Gloss produces a deep lustrous shine. It penetrates and bonds to the surface, resisting against the damaging effects of water and dirt. Ideal for tyres, bumpers, exterior plastics and trim.

Available: 5L (SG5) and 20L (SG20)

### Pacer Painters Delight NON Silicone Interior/Exterior Dressing

Pacer Painters Delight is specially designed for use in paint and panel shops where silicone causes finishing problems. Ideal for tyres, rubber and plastic surfaces. Suitable for interior and exterior use. Body Shop Safe.

Available: 5L (TDNS5) and 20L (TDNS20)

### Presta ReNuLite Wipe-On Kit

Presta's Wipe-On Headlight lens restoration kit will restore 20 faded and yellowed headlights to a like new appearance. Sealant is UV curable and provides maximum protection for long lasting clarity. Kit to restore 20 headlights include:

- \* Presta ReNuLite UV Curable Wipe On Sealant 15ml, 10
- \* Presta Lens Drier 236ml, 1
- \* 600 Grit Sand Paper, 20
- \* 2000 Grit Sand Paper, 10
- \* Plastic Dripping tray, 10
- \* Corolite sponge 2 pack, 5
- \* 1500 Grit Sand Paper, 10
- \* 1.5" roll of masking tape, 1
- \* Vinyl Gloves, 10

Available: Kit (136057)

### Presta ReNuLite Single Use Wipe-On Kit

- \* 600 grit sandpaper, 2
- \* 2000 grit sandpaper, 1
- \* Headlight Lens Sealant 15ml, 1
- \* Tray, 1
- \* 1500 grit sandpaper, 1
- \* Headlight Lens Drier, 1
- \* Coralite Sponge, 1

Available: Single Kit (136059)

### Presta Headlight Lens Drier

Headlight Lens Drier creates a dry and dust-free lens to complete the lens preparation process and ensure proper sealant adhesion. Simply spray and wipe thoroughly with a clean, lint-free towel.

Available: 237ml (138608)

### Presta ReNuLite UV Curable Headlight Sealant

Headlight Sealant is a proven, advanced formula containing UV inhibitors that protects restored headlight lenses against future discoloration for up to 3 years. Easy to apply formula that provides a streak free finish. Cures quickly with sunlight or UV light. Body Shop Safe.

Available: Aerosol (137306)

### Presta ReNuLite UV Curable Headlight Sealant

This easy to apply formula helps protect restored headlights against future discoloration. Cures quickly in sunlight or by UV light. Each bottle can do two headlights.

Available: 15ml (139603)

### UV Light Assembly with Stand

Designed to cure Headlight Sealant in 8 to 10 minutes. Sturdy tripod base adjusts from 23" to 48". Variable mounting bracket enables the light to be adjusted to the angle of the headlight. Includes a U shaped, LED bulb with 10,000 hour bulb life.

Available: Lamp with Stand (890203) and UV Replacement Bulb (890204)

**EPIC Paint Correction Kit**

EPIC Paint Correction Kit contains everything you need to do a complete paint correction in less steps, less effort and achieve a brilliant finish! Kit includes:

- \* Heavy Duty Compound 473ml, 1
- \* Medium Duty Compound 473ml, 1
- \* Finishing Polish 473ml, 1
- \* Purple Foamed Wool Pad 6.25", 1
- \* Grey Foam Heavy Duty Pad 6.5", 1
- \* Orange Foam Medium Duty Pad 6.5", 1
- \* Black Foam Polishing Pad 6.5", 1
- \* Foam Pad Conditioning Brush, 1
- \* Ultra Soft Edgeless Microfibre Cloths, 5

Available: Kit (800213)

**EPIC Heavy Duty Compound**

EPIC Heavy Duty Compound is a buffing compound that removes up to P1500 sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Heavy Duty Compound removes severe surface defects on areas exposed to heavy road contamination, like the front end of vehicles. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109008), 473ml (109016) and 946ml (109032)

**EPIC Medium Duty Compound**

EPIC Medium Duty Compound is a buffing compound that removes up to P2500 grit sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Medium Duty Compound is designed for medium correction and is capable of correcting most minor flaws, such as car wash swirls, snow brush scratches and oxidation. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109108), 473ml (109116) and 946ml (109132)

**EPIC Finishing Polish**

EPIC Finishing Polish is a polishing compound, used with an orbital polisher for light correction or a final showroom gloss after EPIC Heavy Duty Compound or EPIC Medium Duty Compound. Capable of correcting most minor flaws this product finishes in one step producing a remarkable finish. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109208), 473ml (109216) and 946ml (109232)

**EPIC Hydropsheet Graphene Wash and Wax**

EPIC Hydropsheet + Ceramic Wash & Wax with Graphene is a low-foaming wash & wax that utilizes advanced cleaning agents to remove soils while unique drying agents allow water to sheet off the vehicle during the rinsing process and provide a spot-free finish. SiO2 sealant and silicone wax enhanced by graphene, create a hydrophobic barrier for increased surface protection of up to 60 days, while leaving a rich, long lasting lustrous shine. This high sheeting, quick dry formula makes washing more efficient and revitalises ceramic and graphene coated surfaces.

Available: 946ml (260932) and 3.78L (260901)

### EPIC Ceramic Coating Starter Kit

EPIC Ceramic Coating Starter Kit is designed for the ultimate finish. The specially formulated coating provides 2 years of protection, preventing dirt, water spots and contaminants from adhering to paint, prolonging the life and ease of cleaning for any vehicle. Each Kit contains:

- \* EPIC Ceramic Coating 30ml, 1
- \* EPIC Prep Wash Concentrate 237ml, 1
- \* EPIC Final Prep 473ml, 1
- \* Applicator Pad
- \* Suede Applicator Cloths
- \* Ultra Soft Edgeless Microfibre Towel

Available: Kit (800215)

### EPIC Pro Ceramic Coating System

EPIC Pro Ceramic Coating securely bonds with vehicle clear coat, creating a durable hydrophobic barrier that protects the surface from harmful contaminants. This specially designed clear coating when professional installed, provides 3 years of surface protection, a ceramic coating hardness up to 9H and one of the industry's highest gloss finishes.

Kit contains:

- \* EPIC Pro Ceramic Coating 30ml
- \* Applicator pad
- \* Suede applicator Cloths
- \* Application Instructions

Available: Kit (109330)

### EPIC Pro + Ceramic Coating with Graphene

EPIC Pro + Ceramic Coating with Graphene is a specially formulated coating that offers a superior high gloss finish, abrasion resistance and enhanced UV protection. This special formulation, enhanced with graphene and a ceramic coating hardness up to 10H, bonds with the clear coat to create a high level of hydrophobicity that prevents dirt, water spots and other contaminants from adhering to paint. When professionally installed will provide your vehicle with the ultimate "wet" look and 4 years of protection.

Kit contains:

- \* EPIC Pro + Ceramic Coating with Graphene
- \* Applicator pad
- \* Suede applicator Cloths
- \* Application Instructions

Available: Kit (109375)

### EPIC CR2 Hydro Protect Ceramic Spray

EPIC CR2 Hydro Protect Ceramic Spray is a spray on SiO<sub>2</sub> ceramic coating booster designed to shine, protect and beautify a vehicle. This long lasting ceramic spray absorbs UV rays, adds gloss and easily sheets off water. As the final component of the EPIC Ceramic System, CR2 can be used to boost an existing ceramic coating or as a stand alone ceramic spray the provides up to 6 months of durability.

Available: 473ml (109416) and 3.78L (109401)

### EPIC Ceramic Refresher

EPIC Ceramic Refresher is designed to complement the EPIC Ceramic Coating System. This easy to apply spray helps maintain the protective properties and the gloss of the ceramic coating. Refresher can also be used as a standalone protectant producing up to 6 months protection.

Available: 473ml (109816)

### EPIC Revive Nu Trim & Cladding Restorer

Revive Nu provides a long lasting satin finish to most OEM and ABS types of moulding, trim, cladding and other automotive plastic. Rather than depositing a black paint or dye like other trim restoration solutions, this trim restorer penetrates the material's surface, renewing the overall appearance. Provides 1 year of protection.

Available: 473ml (199816)

### EPIC Leather Coat Interior Protective Creme

EPIC Leather Coat is a specialised vinyl and leather protectant and cleaner that forms a protective barrier to resist staining, clothing colour transfer and sun damage. This versatile leather cleaner and protectant can be used on cars, boats, RVs, shoes and even home furniture. EPIC Leather Coat protects leather and vinyl against oil and water based stains including ball point pen ink, tomato sauce and wine and allows for easier cleanup of contamination. This leather scented formula contains UV inhibitors and forms a protective barrier and produces a satin gloss finish.

Available: 3.78ml (260601)

### EPIC Fabric Coat Interior Protective Spray

EPIC Fabric Coat offers durable protection from stains and spills created by liquids on cloth seats and carpet. Fabric Coat is a simple spray on formula that coats and bonds to individual fibers and creates a hydrophobic barrier to stop fluids from penetrating the surface. Once applied, water and other liquids will roll off or sit on top of fabric surfaces, preventing staining and keep your seats looking fresh. It also allows for enhanced cleanability and soil release, giving you more time to clean the spill. Can be applied to virtually all cloth seats, carpets and cloth door inserts.

Available: 3.78ml (260701)

## MARINE | RV | AUTOMOTIVE

### EPIC Heavy Duty Compound

EPIC Heavy Duty Compound is a buffing compound that removes up to P1500 sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Heavy Duty Compound removes severe surface defects on areas exposed to heavy road contamination, like the front end of vehicles. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109008), 473ml (109016) and 946ml (109032)

### EPIC Medium Duty Compound

EPIC Medium Duty Compound is a buffing compound that removes up to P2500 grit sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Medium Duty Compound is designed for medium correction and is capable of correcting most minor flaws, such as car wash swirls, snow brush scratches and oxidation. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109108), 473ml (109116) and 946ml (109132)

### Malco Tru-Grit Heavy Duty Compound

Tru-Grit Heavy Duty Compound is a versatile buffing compound for automotive paint correction. Designed with special abrasives that provide the broadest buffing capability of all Malco's compounds, this buffing compound removes 1000-grit and finer sand scratches from both fully cured and 24 hour old high solids and standard clears. Tru-Grit is your best choice for removing paint defects, oxidation and environmental damage from painted surfaces. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (120032) and 3.78L (120001)

### Malco Super-Duty Heavy Cut Compound

Super-Duty is a versatile cutting compound designed to remove heavy sand scratches and oxidation from both clear coat painted and gel coat surfaces. It will easily remove P1500 grit and finer sand scratches. When used with a 100% wool pad, Super Duty Compound works fast and leaves a high gloss finish on any automotive, marine or industrial coating. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (127632) and 3.78L (127601)

### Presta Super Cut Compound

Super Cut Compound is an aggressive cutting compound designed to remove heavy sand scratches and oxidation from gel coated surfaces, marbled surfaces and some paints. Super Cut works fast and leaves a high gloss finish and will easily remove P800 grit and finer sand scratches. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (134532) and 3.78L (134501)

### Presta Gel Coat Compound

Gel Coat Compound is an easy to use and easy to clean up formula that significantly reduces manufacturing and buffing time. It removes P1000 or finer sand scratches and medium to light oxidation on fibreglass, gel coat and painted surfaces. Gel Coat Compound quickly leaves a deep high gloss finish. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (138532) and 3.78L (138501)

### Presta Ultra Cutting Creme

Ultra Cutting Creme is an aggressive compound developed to remove P1500 grit and finer sand scratches from soft and aged paint and produces a high gloss finish. This advanced formula makes compounding ultra-high solid clears fast and easy. It is also the ideal choice for detailing severely weathered and oxidized finishes. Ultra Cutting Creme will also be effective on gel-coat surfaces. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (131932), 3.78L (131901) and 3kg (131905)

### Presta 2 Step Cutting Compound

2 Step Compound is a fast cutting compound designed to simplify the buffing process, saving you time and money while delivering unparalleled results. Start with the advanced Ultra 2 Step Cutting Compound to remove P1200 grit and finer sand scratches from both new and aged paint. The Ultra 2 Step Compound has been designed to work effectively with both wool and foam pads and over a wide range of buffing speeds. Complete the process by following with Presta Ultra 2 Step Finishing Polish. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (139332)

### Presta Ultra Cutting Creme Light

Ultra Cutting Creme Light is a mildly abrasive compound designed to remove P2000 grit or finer sand scratches from any paint surface, from soft, freshly painted to fully cured. Ultra Cutting Creme Light minimises swirls and produces a high gloss finish. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (133432) and 3.78L (133401)

### Presta Ultra Polish

Ultra Polish works best when machine applied. This cleaner/polish removes minor surface imperfections and oxidation from new and aged automotive paint and marine gel coats. Ultra Polish creates an extremely high gloss finish that won't wash away and works best after compounding. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (133532)

### Presta Ultra 2 Step Finishing Polish

Ultra 2 Step Finishing Polish is an advanced all in one polish and swirl remover. Designed for use on both new and aged clear coat paint surfaces. Ultra 2 Step Polish significantly reduces buffing time when used after Ultra 2 Step Cutting Compound. This advanced formula creates a rich, deep gloss and swirl free finish in a single step. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (139432)

### Malco Nanocare Polishing Creme

Nanocare Polishing Creme is a one step polish, specially formulated with nano technology for darker coloured vehicles. Reach a glass-like finish on any paint colour. This one step polish features easy-on / easy-off application, either by machine or hand. Use it to restore a deep gloss to aged, oxidized and environmentally damaged vehicle surfaces. Water Based

Available: 946ml (128332) and 3.78L (128301)

### EPIC Finishing Polish

EPIC Finishing Polish is a polishing compound, used with an orbital polisher for light correction or a final showroom gloss after EPIC Heavy Duty Compound or EPIC Medium Duty Compound. Capable of correcting most minor flaws this product finishes in one step producing a remarkable finish. Contains NO waxes, fillers or silicones. Water Based, Dust Free Formula and Body Shop Safe.

Available: 236ml (109208), 473ml (109216) and 946ml (109232)

### Presta Aurora Hand Glaze

Aurora Hand Glaze is a breathable, easy-on / easy-off hand or machine applied finishing glaze designed to enhance the beauty of both old and newly painted surfaces. Is specially formulated to produce a protective, glass-like finish on all acrylic enamels, acrylic lacquers, urethanes and base coat/clear coat finishes. Contains NO Silicone. Body Shop Safe.

Available: 946ml (130232)

### Malco Metal Polish

Malco Metal Polish uses micro-abrasives to remove surface oxidation and oily stains from even the softest metals. Safe for use on chrome, aluminium, stainless steel, brass, copper and other metals. This metal polish compound slows dulling and inhibits corrosion, keeping metalwork dazzling. Will not scratch or damage even the softest metals.

Available: 473ml (123016)

### Malco Swirl Remover

Malco Swirl Remover removes swirls from both fresh and cured painted surfaces and produces a clean, high-gloss finish that doesn't wash away. Use this unique formula to remove swirls from car washes and other micro marring. Contains NO waxes, fillers or silicones. Water Based and Body Shop Safe.

Available: 946ml (190232)

### Presta Chroma Swirl Remover

Presta Swirl Remover is designed to remove swirls from both fresh and cured paint surfaces while leaving a high gloss finish. If swirls are heavy and / or cured, the best results are achieved by compounding, polishing and then using swirl remover. Contains NO waxes, fillers or silicones. Body Shop Safe.

Available: 946ml (190232)

### Malco Accelerate - All In One Polish and Protection

Malco Accelerate is a one step polishing compound, designed to remove light to medium paint defects and to leave behind a protective layer. This polishing compound quickly and easily removes swirls, imperfections and light scratches, producing a deep, glossy finish. Formulated for a long working window and dust free application, Accelerate can be applied with an orbital, rotary or by hand and is compatible with a variety of foam pads and microfibre applicators. Easy removal of this polishing compound allows for full vehicle application before wiping off. Water Based.

Available: 946ml (261032)

### Malco Rejuvenator One Step Paint Restoration

Malco Rejuvenator is a car paint restoration polish that quickly and easily restores aged, oxidized or environmentally damaged automotive paint. This one step automotive paint compound and glaze is ideal for single stage paint correction. It removes scratches, leaving behind a beautiful, glossy surface and a protective, high performance polymer film. Water Based

Available: 946ml (111732) and 3.78L (111701)

### Malco Plum Crazy Hand Glaze

Plum Crazy is a premium, silicone free hand glaze formulated to produce dazzling, high gloss shines on automotive finishes, especially clear coat following polishing. This versatile formula can be applied by hand or machine and removes minor scratches and swirl marks. Contains NO waxes or silicones. Body Shop Safe.

Available: 946ml (114732)

### Malco Banana Creme Wax

Malco Nano Care Banana Creme Wax is a wax made with a unique blend of resins and silicones to deliver a rich, deep gloss and UV protection. Banana Creme Wax is the fast and easy way to add long lasting protection to both automotive and marine finishes. Can be applied and removed easily by hand or with an orbital buffer. This banana scented formula provides up to 9 months of superior surface protection. Water Based.

Available: 946ml (197732) and 3.78L (197701)

### Malco Cherry Flash Liquid Paste Wax

Cherry Flash Liquid Paste Wax is a sprayable, liquid wax containing natural Carnauba wax to deliver a deep, lasting gloss. This easy to apply, spray on wax dries quickly and comes off easily. Apply it by orbital buffer or by hand, as its liquefied formula allows for either method. This premium liquid paste wax is non dusting, will not white out plastic and provides up to 2 months of protection. Water Based.

Available: Aerosol (124820), 946ml (124832) and 3.78L (124801)

### Malco Flash Liquid Paste Wax

Flash Liquid Paste Wax features a liquefied Carnauba paste wax that applies easily and dries quickly. This non dusting formula can be applied by hand or machine and provides a deep, long lasting gloss and up to 2 months of protection.

Available: 946ml (114432) and 1.89L (114464)

### Malco Imperial Paste Wax

Imperial Paste Wax is made with pure Carnauba wax and delivers a rich, deep gloss. It contains no abrasives and provides up to 12 months of superior surface protection to all finishes, including clear coat, gelcoat, fibreglass and any other non porous, painted surface and is great for dark coloured vehicles.

Available: 369gm Tin (114014)

### Malco Nano Care Spray Wax

Nano Care Spray Wax is an all in one liquid car wax and dressing that produces a long lasting shine on interior and exterior surfaces, utilizing nano technology. Use this advanced liquid wax on vinyl, leather, glass, plastic and all painted surfaces, as it will not white out plastics. Pleasant grape fragrance and up to 2 months protection. Water Based.

Available: 650ml (128022) and 3.78L (128001)

### Malco Showroom Shine Spray Wax

Showroom Shine Spray Wax is a premium surface enhancer that removes dirt and fingerprints from any non porous, painted surfaces, metal and glass, leaving behind an attractive shine. Use Showroom Shine to quickly remove dust, smudges and fingerprints from auto finishes and lengthen the time between washes. Showroom Shine also works as a lubricant for clay and clay alternatives and can be buffed or polished onto the vehicle surface. Water Based

Available: 650ml (110422) and 3.78L (110401)

### Malco Nano Care Cleaner Wax

Nano Care Cleaner Wax is fast and easy way to restore great gloss and protection to aged and oxidized finishes. It provides long lasting protection against acid rain, detergent washings, industrial fallout and the harsh environment. Great for removing tar, grease, grime, bird droppings, tree sap, glue lines and environmental contaminants. Water Based.

Available: 946ml (128832)

### Presta Best Wax

Best Wax is a premium wax designed to enhance and create dazzling gloss on automotive and marine finishes. This Carnauba wax based silicone formula seals and protects cured paint against environment damage for 60 - 90 days. This long lasting formula will shield paint from industrial fallout, acid rain, rail dust, bird droppings, tree sap and most kinds of chemical attack. Can be applied by hand or polisher. Water Based.

Available: 473ml (130516)

### Malco Carpet & Upholstery Cleaner Concentrate

Carpet & Upholstery Cleaner Concentrate is a hand applied fabric cleaner designed to remove ground in soils and stains from automotive carpet and upholstery. NOT for use with extraction machines. Water Based and Body Shop Safe.

Available: 3.78ml (101801)

### Malco Carpet & Upholstery Cleaner Aerosol

Carpet & Upholstery Cleaner features a rich foaming formula, for use on all carpet and upholstery, that dissolves soils and stains easily and dries quickly. This cleaner spray for upholstery makes removing soils from carpet and seat bottoms fast and easy, as it features an inverted nozzle for vertical applications. Use this foaming, all fabric cleaner without the worry of leaving behind an oily film. Body Shop Safe.

Available: Aerosol (101720)

### EPIC Fabric Coat Interior Protective Spray

EPIC Fabric Coat for cloth seats and carpets, offers durable protection from stains and spills created by liquids. Simple spray on formula that coats and bonds to individual fibres. Creates a hydrophobic barrier to stop fluids from penetrating the surface. Once applied, water and other liquids will roll off or sit on top of fabric surfaces, preventing staining. Water Based and Body Shop Safe.

Available: 3.78ml (260701)

### Malco Instant out Spot and Stain Remover

Instant Out Spot & Stain Remover is a fast acting highly effective spot remover for oil and water based stains. High foaming with no rubbing or scrubbing required. Effective on ink, grease, oil, cola, coffee, pet stains, shoe polish and lipstick. Body Shop Safe.

Available: Aerosol (126419)

### Malco Oxy Carpet & Upholstery Cleaner

Oxy Carpet & Upholstery Cleaner is a peroxide based fabric cleaner. This powerful, ready to use formula quickly cuts through dye and tannin related soils such as those from coffee, juice or some foods. It dries quickly, leaves no residue and does not leave water marks on spot fabric seats. Water Based and Body Shop Safe.

Available: 3.78ml (127801)

**Malco Spray Carpet & Upholstery Cleaner RTU**

Spray Upholstery, Fabric & Carpet Cleaner lifts and dissolves soils and stains for complete cleaning of synthetic and natural fibre carpet and upholstery. Convenient ready to use formula leaves behind a fresh, clean scent. Body Shop Safe.

Available: 650ml (101716)

**Malco Xtrax Liquid Fabric Cleaner & Deodorizer**

Xtrax is designed for use in any brand of hot or cold extraction machines. This low foam, concentrated formula leaves no oily film that can attract dirt and speed re-soiling. Xtrax leaves carpet and upholstery clean, soft and smelling fresh. Water Based and Body Shop Safe.

Available: 3.78ml (118701)

**Pacer Fabric Cleaning Solution**

Pacer Fabric Cleaning Solution is a low foam carpet and upholstery shampoo designed for extraction cleaning machines. Fabric Cleaning Solution loosens both clinging surface soils and deep ground-in dirt. Can also be used as a spot cleaner.

Available: 5L (FCS5) and 20L (FCS20)

**CLEANING CAR TIPS**

**1. INTERIOR**

Remove everything that is loose, including those floor mats, to get a good vacuum and clean on those hard-to-reach places.

**2. EXTERIOR**

Wash with the two-bucket method. One bucket for soap and one bucket for your rinse. Cleaning out your dirty wash mitt before returning to your soapy bucket will ensure your car stays clean during your wash.

**3. INVEST IN THE RIGHT TOOLS AND PRODUCTS**  
Purchasing professional products and tools will save you time and money in the long run. Malco has a full line of detailing products to help you get the job done well.

**4. KNOW WHEN TO VISIT A PRO**

If you notice your car has scratches in the paint and in need of a good shine, now is the time to take it to a professional detailer. A professional detail can make a huge difference in the appearance and long term protection of your car!

### Malco Leather & Plastic Cleaner

Leather & Plastic Cleaner restores like new appearance to leather, plastic and vinyl. This special penetrating formula cleans all the way down to the pores and leaves surfaces clean and film free. Water Based and Body Shop Safe.

Available: 3.78L (100101)

### Presta Leather & Vinyl Cleaner

Leather & Vinyl Cleaner is a powerful cleaner for vinyl, plastic and leather that goes deep into the pores to remove grease and grime, leaving the surface film free. Water Based and Body Shop Safe.

Available: 650ml (134922)

### Malco Clean & Shine Interior Cleaner and Protectant

Clean & Shine Interior Cleaner for leather, plastic and vinyl is a cleaning liquid and dressing that powers away grease and grime and restores a rich, satin gloss to interior surfaces without leaving behind any oily or greasy residue. This lemon scented formula is not full of overpowering chemicals and works as a great leather, plastic or vinyl cleaner, while shining and protecting in the same step.

Available: 650ml (125922)

### Malco Leather Conditioner

Leather Conditioner cleans and conditions all leather surfaces in one easy step. This non greasy formula can be used to both remove soils from leather and to revive tired or hardened leather back to its original feel. Great leather scent and is safe for use on any colour of leather.

Available: 946ml (109932)

### Presta Leather Conditioner

Leather Conditioner cleans and conditions all leather surfaces **in one easy step**. This non greasy formula can be used to both remove soils from leather and to revive tired or hardened leather back to its original feel. Great leather scent and is safe for use on any colour of leather.

Available: 473ml (134616)

### EPIC Leather Coat Interior Protective Creme

EPIC Leather Coat is developed to save your leather and vinyl from liquid spills, clothing colour transfer and the harsh effects of the sun. This polymer based coating creates a hydrophobic barrier on most porous surfaces. Liquid and food spills are repelled and become easier to clean up. Acts as a moisture barrier that keeps your leather feeling soft, supple and clean for longer. Water Based.

Available: 3.78ml (260601)

### Malco Silicone Spray

Silicone Spray is an all purpose lubricant with premium silicone polymers. It forms a thin, water tight seal on painted and unpainted metal, plastic, rubber, leather and vinyl. Prevents corrosion on battery terminals and waterproofs cables, hinges, distributor caps and ignition systems.

Available: Aerosol (102920)

### Malco Penetrating Oil

Penetrating Oil frees rusted or frozen fasteners and parts, leaving behind a protective and lubricating layer. Formulated with anti corrosion inhibitors and wetting agents our Penetrating Oil insures protection to parts exposed to the elements.

Available: Aerosol (103919)

### Malco Rubberized Undercoating

Rubberized Undercoating deadens sound and protects underbody areas from moisture, rust and fumes. This quick curing undercoating is flexible and paintable and will not brown out. Body Shop Safe

Available: Aerosol (117420)

### Malco Brake & Parts Wash

Brake & Parts Wash is a non chlorinated solvent cleaner that removes oil, grease and brake dust and leaves surfaces clean and film free. Body Shop Safe.

Available: Aerosol (110920)

### Malco Engine Enamel Semi Gloss Black

Engine Enamel provides a flexible, durable finish that protects your engine and improves its aesthetic appeal. Once dry, it matches the original factory finish and resists heat up to 190 degrees.

Available: Aerosol (116020)

### Malco Tire Mounting Paste

Tire Mounting Paste eases the mouting of car, truck, agricultural and heavy duty construction equipment tyres.

Available: 3kg (197607)

### Malco New Car Scent Odor Eliminator

New Car Scent Odor Eliminator neutralizes unpleasant odors at their source, leaving behind the clean, fresh new car fragrance. Water Based and Body Shop Safe.

Available: 3.78ml (122401)

### Malco Cherry Scent Odor Eliminator

Cherry Scent Odor Eliminator neutralizes unpleasant odors at their source, leaving behind a pleasant cherry scent. Water Based and Body Shop Safe.

Available: 3.78ml (122201)

### Malco Xtrax Scent Odor Eliminator

Xtrax Scent Odor Eliminator neutralizes unpleasant odors at their source, leaving behind the clean, fresh Xtrax fragrance. Water Based and Body Shop Safe.

Available: 3.78ml (122101)

### Malco Odor Sniper Fragrance Free Odor Eliminator

Odor Sniper Fragrance Free Eliminator attacks and chemically neutralizes foul odors by penetrating and removing them at their source. Great for removing smoke, ammonia, sulfur, urine, body odors and spoiled food at the source. Water Based and Body Shop Safe.

Available: 650ml (199022) and 3.78ml (199001)

### Malco Xtrax Odor Eliminating Fogger

Xtrax Odor Eliminating Fogger contains Ordenone, an odor neutralizing chemical that eliminates smoke and other strong odors at their source. Deodorizes up to 6,000 cubic feet. Can be used for total release fogging or spot spraying. Body Shop Safe

Available: Aerosol (124123)

**Malco Air Freshener - New Leather**

Malco Air Freshener with Ordenone is a unique water based formula that attacks foul odors immediately upon contact and renders them instantly ineffective. Body Shop Safe.

Available: Aerosol (124128)

**Malco Air Freshener - Citrus Splash**

Malco Air Freshener with Ordenone is a unique water based formula that attacks foul odors immediately upon contact and renders them instantly ineffective. Body Shop Safe.

Available: Aerosol (124126)

**Malco Air Freshener - Clean Breeze**

Malco Air Freshener with Ordenone is a unique water based formula that attacks foul odors immediately upon contact and renders them instantly ineffective. Body Shop Safe.

Available: Aerosol (124126)

**Malco Air Freshener - Berry Blast**

Malco Air Freshener with Ordenone is a unique water based formula that attacks foul odors immediately upon contact and renders them instantly ineffective. Body Shop Safe.

Available: Aerosol (124125)

**Pacer Emerald Auto Cologne**

Pacer Emerald Auto Cologne comes from a range of fragrances especially selected for use in motor vehicles. Designed to freshen interiors with the subtle perfume.

Available: 5L (FEM5) and 20L (FEM20)

### Malco Duplex Heavy Duty Cleaning Wipes

Duplex Heavy Duty Cleaning Wipes are a versatile dual sided wipe with a textured side for scrubbing and a smooth side for cleaning. Duplex removes grease, grime, oil, tar and ink on hard surfaces and hands. Lanolin based formula won't dry out hands. Water Based, Phosphate Free, Ammonia Free and Body Shop Safe.

Available: 130 Count (2900130)

### Malco Cherry SP Hand Cleaner

Cherry SP features biodegradable, eco friendly scrubbers that cut through grease and grime while leaving hands conditioned and free of harsh smelling oils and films. Cherry Scented

Available: 2.25L (123925) and 3.78L (123901)

### Malco Coral-P Lotion Hand Cleaner with Pumice

Coral-P Lotion Hand Cleaner with Pumice is a powerful pumice-fortified hand cleaner that removes oil, grease, tar and dirt. Body Shop Safe.

Available: 2.25L (118225)

**Malco Large Wash Mitt**

The large wash mitt is a one size fits all professional grade wash mitt made from soft, absorbent fibres and is ideal for cleaning and polishing cars, RVs, marine and motorcycles.

Available: One Size (810008)

**Malco Microfibre Wash Mitt**

The grey microfibre wash mitt is made of a soft, absorbent material that provides deep scrubbing capability and is safe on all surfaces.

Available: One Size (810010)

**Presta Nanoskin Autoscrub Wash Mitt**

Nanoskin Autoscrub Wash Mitt is a unique design, dual purpose wash mitt that lasts up to 4 times longer than clay bars. Glides on and off easily for a slick finish and if dropped on the shop floor, simply rinse clean.

Available: Fine Grade Blue (8130715) and Medium Grade Yellow (8130714)

**Overspray Clay Bars**

Clay Bars remove surface impurities and contaminants. High elasticity for improved performance and durability. Grey bar comes with case.

Available: Grey Light Grade (810055) and Purple Heavy Cut (810056)

**Speedy Surface Prep Clay Towel**

Safely removes overspray, brake dust, rail dust and other contaminants from outer body and glass.

Available: Medium Grade Yellow (8130713)

### Doo-All Scrubber

The Doo-All Scrubber safely scrubs bugs off your vehicle's exterior surfaces, leaving windshields, bumpers and exterior paint clean and ready for finishing touches.
