

MALCO[®] NANOCARE[®] BLUEBERRY PASTE WAX (126614)

DESCRIPTION

Nanocare[®] Blueberry Paste Wax is one of the longest lasting car waxes Malco[®] has to offer, made with pure Carnauba and Nano waxes and delivering a rich, deep gloss. It contains no abrasives and provides up to 12 months of superior surface protection to all automotive finishes, including clear coat, gelcoat, fiberglass, and any other non-porous, painted surface. This blueberry-scented car wax can even be applied to furniture, appliances, boats and more.

DIRECTIONS

For professional results, pre-clean with any Malco cleaner/compound. With a damp applicator, apply NANOCARE[®] BLUEBERRY PASTE WAX to a 2' X 2' section using straight, even strokes. Allow product to dry to a haze, then remove with a clean, soft, dry cloth. AVOID USING IN DIRECT SUNLIGHT.

FEATURES AND BENEFITS

Easy-on / easy-off application	Produces a deep, lustrous gloss
Nano technology provides superior beading	Superior durability and UV protection
Great blueberry scent	VOC compliant
