

TECHNICAL DATA SHEET

MALCO® XTRAX™ (1187)

DESCRIPTION

Malco Xtrax is designed for use in any brand of hot or cold extraction machines. This low foam, concentrated formula leaves no oily film that can attract dirt and speed re-soiling. Xtrax leaves carpet and upholstery clean, soft and smelling fresh.

DIRECTIONS

PRE-SPOTTING – for heavy accumulations of soils, mix a solution in a trigger bottle by diluting 1:20 with water. Can also be used in Tornadors® at 1:10. Spray area to be treated, moistening area with the solution. Let stand for 5-10 minutes. Proceed with general cleaning.

GENERAL CLEANING – follow extraction machine manufacturer’s recommendations for mixing dilution and use.

FEATURES AND BENEFITS

Leaves fabric surfaces soft, clean and smelling fresh	Concentrated formula can be diluted up to 1:50
Will not cause foam in extraction machine holding tanks	VOC Compliant & Body Shop Safe
