September 2023

Pacer Auto Products Pty Ltd has supplied the marine and recreational vehicles industry with premium detailing products to clean, restore and protect your boat, personal watercraft, RV and ATV since 1996. Pacer Auto Products Pty Ltd are the exclusive Australian Distributor for Presta Marine, Presta and Malco and we manufacture our own range of marine products

Pacer Auto Products Pty Ltd services these industries with over 250 of Malco, Presta and Pacer specially formulated products. These marine and RV detailing products help maintain a boat or RV inside and out. Used widely by marine and RV OEMs and professional detailers, our portfolio of products includes boat and RV washes, general purpose and speciality cleaners, compounds, polishes and waxes, coatings, interior cleaners and more.

Pacer Auto Products Pty Ltd offers professional detailers and marine or RV enthusiasts a wide selection of products that meet environmental demands, performance expectations and ease of use requirements and deliver superior value.

This is why Pacer Auto Products Pty Ltd is your most trusted marine detailing supplier.

At Pacer Auto Products Pty Ltd we believe that

### Presta Marine Ultra Concentrated Boat Wash

Ultra Concentrated Boat Wash is a powerful, phosphate free and biodegradable cleaner that removes green algae, waterline stains, exhaust stains, salt, fish residue, black streaks, dead bugs, dirt, grease and grime from marine surfaces. This environmentally friendly boat wash can be safely used in a marina. Dilution rate 1:400. Safe for aluminium, fibreglass, gel coat and painted surfaces. Will not strip wax or coatings and cleans without leaving streaks or residue behind.

Available: 946ml (166232)

### Pacer Marine Premium Boat Wash (Pacer Grape Wash)

Pacer Boat Wash is a heavily concentrated wash that cleans and enhances the finish on all boat types. It removes salt deposits, oil, fish and algal staining from fibreglass, gelcoat, aluminium, metal and painted surfaces. This biodegradable environmentally friendly formula rinses off easily leaving a slick free finish. Safe to use around waterways.

Available: 5L (321005), 20L (321020)

## GLASS CLEANERS

### Presta Marine Glass Cleaners

Glass Cleaner is a versatile cleaner for windows, mirrors and most other glass surfaces. This formula will remove dirt, saltwater residue and bird droppings and leaves a clean, film free surface.

Available: 650ml (166322)

### Malco Water Spot Remover

Water Spot Remover (Pumice Cleaner) cleans hard water spots, paint overspray and mineral deposits from glass, chrome, stainless steel, tile and porcelain and leaves behind a lustrous, streak-free shine. Ammonia Free.

Available: 591ml (113420)

### Pacer Marine Glass Cleaner (Pacer Window Cleaner Ammonia Free)

Pacer Marine Glass Cleaner is a ready to use Ammonia Free glass cleaner. Designed to clean and shine all glass, mirrors, stainless steel, chrome and trim. Ideal for tinted glass.

Available: 5L (WCA5) and 20L (WCA20)

### Presta Marine Hull & Deck Cleaner

Hull & Deck Cleaner is a powerful, general purpose cleaner that quickly removes black streaks, heavy soils, grease and grime. It is great for cleaning non-skid surfaces and boat hulls and is also safe for cleaning live wells. It is also ideal for removing brown scum lines from the boat hull. This cleaner is biodegradable, non-caustic, phosphate free and aluminium safe.

Available: 3.78L (117601)

### Pacer Marine Acid Hull Cleaner (Pacer Mag Wheel Cleaner)

Pacer Marine Acid Hull Cleaner is a heavily concentrated blend of acids and detergents suitable for the removal of stubborn streaks from gel coat, fibreglass, aluminium and painted surfaces.

Available: 5L (311005) and 20L (311020)

### Pacer Marine All Cleaner (Pacer Multiclean Plus)

Pacer Marine All Cleaner is a strong concentrated biodegradable cleaner designed to remove salt deposits, oil, fish stains and algae from most marine surfaces. This environmentally friendly formula rinses off easily and is safe around waterways.

Available: 5L (312005) and 20L (312020)

### X-14 Professional Mildew Stain Remover

X-14 Professional Mildew Stain Remover instantly cleans and removes the toughest stains. This slightly stronger, bleach-based formula penetrates deep and works without scrubbing. It is perfect for removing mildew stains from boat and RV hard surfaces.

Available: 946ml (260800)

### Malco Duplex Heavy Duty Cleaning Wipes

Duplex Heavy Duty Cleaning Wipes are a versatile, lanolin based, dual sided cleaning towel. Designed for the toughest soils on hard surfaces and hands. This citrus based formula tackles virtually any clean up challenge without leaving residue behind. Duplex removes grease, grime, oil, tar and ink. These wipes can be used around the home, in the garage, on tools, RV's, boats and more. Water Based, Phosphate Free and Ammonia Free.

Available: 130 Count (2900130)

### Pacer Marine Teak Cleaner

Pacer Marine Teak Cleaner is a great product for removing grimes such as slime, algae and oily scum. Either spray, paint or wipe on as no dilution is required. Rejuvenate using Pacer Marine Teak Brightener.

Available: 5L (TEAKC5)

### Pacer Marine Teak Brightener

Pacer Marine Teak Brightener is for rejuvenating tired and discoloured teak. If used regularly it will allow the teak to maintain its new fresh look. Either spray, paint or wipe on as no dilution is required. Clean first using Pacer Marine Teak Cleaner.

Available: 5L (TEAKB5)

### Presta Marine Vinyl & Plastic Cleaner

Vinyl & Plastic Cleaner is a ready to use formula that powers away mildew, dirt, grime and spider droppings and protects and beautifies vinyl, plastic, rubber and leather surfaces. It will clean down to the pores and leaves the surface clean, film free and shiny. It is perfect for cleaning boat cushions and other deck furnishing

Available: 650ml (166322)

### Presta Marine Vinyl & Plastic Conditioner

Vinyl & Plastic Conditioner protects and beautifies vinyl, plastic, rubber and leather. This premium enhancer helps revive faded and hardened surfaces. It leaves a high gloss protective barrier that helps seal out the damaging effects of sun, age and use.

Available: 650ml (166422)

### EPIC Leather Coat

EPIC Leather Coat is a specialised vinyl and leather protectant and cleaner that forms a protective barrier to resist staining, clothing colour transfer and sun damage. This versatile leather cleaner and protectant can be used on boats and RV's. Leather Coat protects leather and vinyl against liquid spills and allows for easier cleanup of contamination. This formula containing UV inhibitors forms a protective barrier and produces a satin gloss finish.

Available: 3.78L (260601)

### EPIC Fabric Coat

EPIC Fabric Coat offers durable protection from stains and spills created by liquids on cloth seats and carpet. Fabric Coat is a simple spray on formula that coats and bonds to individual fibres and creates a hydrophobic barrier to stop fluids from penetrating the surface. Once applied, water and other liquids will roll off or sit on top of fabric surfaces, preventing staining and keeping your seats looking fresh. It also allows for enhanced cleanability and soil release, giving you more time to clean the spill.

Available: 3.78L (260701)

### Malco Leather & Plastic Cleaner

Leather & Plastic Cleaner restores like new appearance to leather, plastic and vinyl. This special penetrating formula cleans all the way down to the pores and leaves surfaces clean and film free. Water Based.

Available: 3.78L (100101)

### Presta Leather Conditioner

Leather Conditioner cleans and conditions all leather surfaces **in one easy step**. This non greasy formula can be used to both remove soils from leather and to revive tired or hardened leather back to its original feel. Great leather scent and is safe for use on any colour of leather.

Available: 473ml (134616)

### Pacer Marine Restorall

Pacer Marine Restorall provides protection against fading, cracking and ageing while restoring most vinyl and leather surfaces. Restorall is ideal for plastic, vinyl, rubber and leather. It leaves behind a rich natural sheen. Restorall is recommended on boat interiors, plastic and vinyl panels, seals, visors and general use around areas that need silicone protection.

Available: 5L (342005) and 20L (342020)

### Presta Marine MaxComplete Compound

MaxComplete Compound is a next generation cutting compound designed for marine applications. It provides aggressive cutting action that remove P800 and finer sand scratches, as well as heavy oxidation. Use this aggressive compound on fibreglass, gel coat and painted surfaces for a flawless, swirl free, high gloss finish. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (163032)

### Presta Super Cut Compound

Super Cut Compound is Presta's most aggressive traditional compound. Designed for rotary buffing, Super Cut easily removes P800 grit and finer sand scratches, in addition to heavy oxidation. It is safe for gel coat, painted and fibreglass surfaces. Use with 100% white wool pad to remove heavy oxidation. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (134532) and 3.78L (134501)

### Presta Gel Coat Compound

Gel Coat Compound is the perfect compound for marine applications. This easy to use and easy to clean up formula significantly reduces manufacturing and buffing time. It removes P1000 or finer sand scratches and medium to light oxidation on fibreglass, gel coat and painted surfaces. Gel Coat Compound quickly leaves a deep high gloss finish. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (138532) and 3.78L (138501)

### Presta Ultra Cutting Creme

Ultra Cutting Creme is an aggressive compound developed to remove P1500 grit and finer sand scratches from soft and aged paint and produces a high gloss finish. This advanced formula makes compounding ultra-high solids clears fast and easy. It is also the ideal choice for detailing severely weathered and oxidized finishes. Ultra Cutting Creme will also be effective on gel-coat surfaces. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (131932), 3.78L (131901) and 3kg (131905)

### Presta Ultra Cutting Creme Light

Ultra Cutting Creme Light is a mildly abrasive compound designed to remove P2000 grit or finer sand scratches from any paint surface, from soft, freshly painted to fully cured. Ultra Cutting Creme Light minimised swirls and produces a high gloss finish. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (133432) and 3.78L (133401)

### EPIC Heavy Duty Compound

EPIC Heavy Duty Compound is a buffing compound that removes up to P1500 sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Heavy Duty Compound removes severe surface defects on areas exposed to heavy contamination. Contains NO waxes, fillers or silicones and is a water based, dust free formula.

Available: 236ml (109008), 473ml (109016), 946ml (109032) and 3.78L (109001)

### EPIC Medium Duty Compound

EPIC Medium Duty Compound is a buffing compound that removes up to P2500 grit sand scratches and polishes to a beautiful gloss finish in one easy step using an orbital polisher. EPIC Medium Duty Compound is designed for medium correction and is capable of correcting most minor flaws, such as oxidation. Contains NO waxes, fillers or silicones and is a water based, dust free formula.

Available: 236ml (109108), 473ml (109116), 946ml (109132) and 3.78L (109101)

### Malco Tru-Grit Heavy Duty Compound

Tru-Grit is a versatile buffing compound formulated for aged and fresh paint. This advanced formula contains special abrasives that combine to provide both aggressive buffing capabilities and polishing properties. Use Tru-Grit to repair paint defects, remove deep sand scratches and heavy oxidation as well as environmental contaminations on any marine coating. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (120032) and 3.78L (120001)

### Malco Super-Duty Heavy Cut Compound

Super Duty Compound is the perfect compound for marine applications. This easy to use and easy to clean up formula significantly reduces manufacturing and buffing time. It removes P1000 or finer sand scratches and medium to light oxidation on fiberglass, gel coat and painted surfaces. Super Duty Compound quickly leaves a deep high gloss finish. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (127632) and 3.78L (127601)

### Presta Ultra Polish

Ultra Polish works best when machine applied. This cleaner/polish removes minor surface imperfections and oxidation from new and aged marine paint and marine gel coats. Ultra Polish creates an extremely high gloss finish that won't wash away and works best after compounding. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (133532)

### EPIC Finishing Polish

EPIC Finishing Polish is a polishing compound, used with an orbital polisher for light correction or a final showroom gloss after EPIC Heavy Duty Compound or EPIC Medium Duty Compound. Capable of correcting most minor flaws this product finishes in one step producing a remarkable finish. Contains NO waxes, fillers or silicones and is a water based, dust free formula.

Available: 236ml (109208), 473ml (109216), 946ml (109232)

### Presta Aurora Hand Glaze

Aurora Hand Glaze is a breathable, easy-on / easy-off hand or machine applied finishing glaze designed to enhance the beauty of both old and newly painted surfaces. Is specially formulated to produce a protective, glass-like finish on all acrylic enamels, lacquers, urethanes and base coat/clear coat finishes, gel coat and marine applications. Contains NO Silicone.

Available: 946ml (130232)

### Presta Chroma Swirl Remover

Presta Swirl Remover is designed to remove swirls from Gel Coat and both fresh and cured paint surfaces while leaving a brilliant high gloss finish. If swirls are heavy and / or cured, the best results are achieved by compounding, polishing and then using the swirl remover. Contains NO waxes, fillers or silicones and is water based.

Available: 946ml (190232)

### Presta Marine UV Creme Wax

UV Creme Wax provides long lasting shine and up to 6 months of UV protection to marine and RV surfaces in one easy step. This traditional wax uses advanced polishing agents, silicone resin, UV absorbers and polymers to create unbeatable gloss and exceptional protection against salt, corrosion and ultraviolet rays. For use on fibreglass, gel coat and painted finishes and can be applied by hand or machine.

Available: 946ml (166132)

### Presta Marine Express Detail

Express Detail is a powerful cleaner and protectant in one that quickly removes light dirt and grime between washes. Great to use for a quick wipe-down after a day on the water. Removes dust, smudges, water spots, fingerprints and more and is safe for fibreglass, gel coat, glass, painted surfaces, electronic panels and touchscreens. Express Detail protects against salt, sun and weathering for bright, glossy shine and maintains your fresh boat wax.

Available: 650ml (166622)

### Presta Marine Hydroprotek Ceramic Spray

Hydroprotek is an SiO<sub>2</sub> ceramic spray on formula designed to shine, protect and beautify your watercraft or recreational vehicle. HydroProtek is long lasting, absorbs UV rays, adds gloss and easily sheets water off. HydroProtek should be used every few months on a clean boat or RV. This formula is safe for all surfaces including hull, windows, trailers, wheels and trim. This ceramic spray will bond with gel coat and clear coat to create a durable, hydrophobic surface, prolonging the life and ease of cleaning for any watercraft.

Available: 3.78L (169601)

### Malco Banana Creme Wax

Malco Nano Care Banana Creme Wax is a wax made with a unique blend of resins and silicones to deliver a rich, deep gloss and up to 6 months of UV protection to marine finishes. Banana Wax can be applied and removed easily by hand or with an orbital buffer. This banana scented formula provides up to 9 months of superior surface protection and is water based.

Available: 946ml (197732) and 3.78L (197701)

### Malco Imperial Paste Wax

Imperial Paste Wax is made with pure Carnauba wax and delivers a rich, deep gloss. It contains no abrasives and provides up to 12 months of superior surface protection to all finishes, including clear coat, gelcoat, fibreglass and any other non porous, painted surface.

Available: 369gm Tin (114014)

### Malco Large Wash Mitt

The large wash mitt is a one size fits all professional grade wash mitt made from soft, absorbent fibres and is ideal for cleaning and polishing boats and RVs.

Available: One Size (810008)

### Malco Microfibre Wash Mitt

The grey microfibre wash mitt is made of a soft, absorbent material that provides deep scrubbing capability and is safe on all surfaces.

Available: One Size (810010)

### Malco Wax Applicator Pads

These soft, absorbent wax applicator pads are ideal for a scratch-free application of wax, sealant, glaze or dressing on any RV or marine surface.

Available: Round (800082) and Square (810011)

### Oates Microfibre Cloths

Oates Value Green Microfibre Cloths are ideal for commercial use. Use wet or dry with or without chemicals.

Available: Pack of 10 (MF035VG)

### Premium Charcoal Microfibre Cloth

Pacer's Premium Charcoal Microfibre Cloths are 50cm x 50cm, 100% microfibre and machine washable.

Available: One size (MICROC)

### Microfibre Knitted Polishing Cloth

Pacer's Microfibre Knitted Cloths are perfect for polishing and cleaning. 40cm x 40cm, 100% microfibre and machine washable

Available: One size (MICROK)

### Microfibre Waffle Woven Glass Cloth

Pacer's Microfibre Woven Waffle Cloths are perfect for glass surfaces including windows and mirrors giving a streak and lint free clean. 40cm x 40cm, 100% microfibre and machine washable.

Available: One size (MICROW)

### Microfibre XLarge Detailers Cloth

Pacer's Extra Large Microfibre Detailers Cloth is ideal for cleaning, dusting, drying, detailing and wiping just about any surface. 50cm x 60cm, 100% microfibre and machine washable. Absorbs upto 7 times its weight in moisture.

Available: One size (13000CB)

### Microcham Chamois

Pacer's Microcham 100% microfibre and highly absorbent chamois is 50cm x 68.5cm. Great for RVs, boats, mirrors, glass, tiles, stainless steel, brass and many other surfaces. Always dries to original softness, no smell or bacteria build up and is extremely durable and will not shrink.

Available: One size (MICROY)

### Purple Double Faced Chamois

Pacer's Premium Purple Chamois is double faced and perfect for those wanting a high quality cleaning chamois. 66cm x 43cm.

Available: One size (PURPLE CHAMOIS)

### Malco Ketchup Bottle with Cap

The polish dispenser bottle is a squeezable plastic container with a tapered tip and cap for use with semi-liquid and liquid products that require precision application. Holds up to 355ml and made of durable, solvent resistant plastic.

Available: 355ml (810086)

### Wool Buffing Spur

Use this buffing spur to remove excess compound, dirt and debris from wool pads. The ergonomically designed handle is safe, easy and comfortable to use.

Available: One size (810007)

### Foam Pad Conditioning Brush

Use this conditioning brush to remove excess product from foam pads, even after it has dried. The stiff bristles also can remove debris from all types of foam pads, while the ergonomically designed handle is safe, easy and comfortable to use.

Available: One size (890080)

### Malco Razor Blades

Malco branded high quality razor blades.

Available: 100 per box (800034)

### Zentool ZEN-21E2 Dual Action Polisher

The ZEN21-E2 Dual Action Polisher is one of the latest advancements in machine polishing technology. With an orbit (throw) of 21mm, the dual action polisher has evolved to become a leader in efficient cutting power whilst still maintaining the safe operation expected from a DA polisher.

Available: (ZEN21E2)
